## **Rafael Cruz Speaks Out in Support of Ken Paxton**

(McKinney, Texas) - With the Primary Election just days away, Senator Ken Paxton is honored to release the following supportive remarks from Rafael Cruz, the revered and respected father of U.S. Senator Ted Cruz. The senior Mr. Cruz also serves as a pastor and speaks out across Texas and America in support of conservative values.

Pastor Cruz stated, “Ken Paxton is a fearless defender of liberty, an unwavering conservative, and a man of integrity and faith. My son, Senator Ted Cruz, called Ken a ‘tireless conservative warrior’ and I could not agree more. When I came from Cuba, I knew if we lost our rights here we would have nowhere to go, and that is why we need leaders like Ken Paxton who will fight to preserve Texas and America. As Attorney General, Ken will defend our Constitution and protect Texas against President Obama.”

The remarks by Mr. Cruz follow those of Senator Ted Cruz who stated last month, “Ken Paxton stands and fights whether it's against Obamacare, whether it's fighting for voter ID, or whether it's fighting to defend our religious liberty. And I'm proud to say Ken Paxton is my friend and fighting hard for the state of Texas.”
